WE DEDICATE THIS YEARBOOK

Mr. Battis

Whether as a teacher, a coach, a police officer, or a friend, Mr. Battis has always been there for the Senior Class of 2010. His infinite knowledge, both inside and outside of the classroom, will remain a part of us for the rest of our lives.

Mr. Battis knows how to talk to teenagers in all steps of life. Kids can go to Mr. Battis with any of their problems, and even if he can't help, he can put a smile on anyone's face. His stories in class, his incredible sense of humor, and his limitless patience make him one of the most memorable teachers at Marshfield High School.

In his street law class, the police officer side of him comes out as he teaches students all about the law. In his history classes, the teacher and historian make their way into the classroom. On the field, he coaches the kids he has in class, but as baseball players rather than history students. He works with many different students in many different ways.

Marshfield High School would be a much different place without this amazing teacher. The Class of 2010 thanks you, Mr. Battis.

Allison Bridgewater, Class of 2010

TO OUR MOST MEMORABLE TEACHERS:

Mr. Dwyer

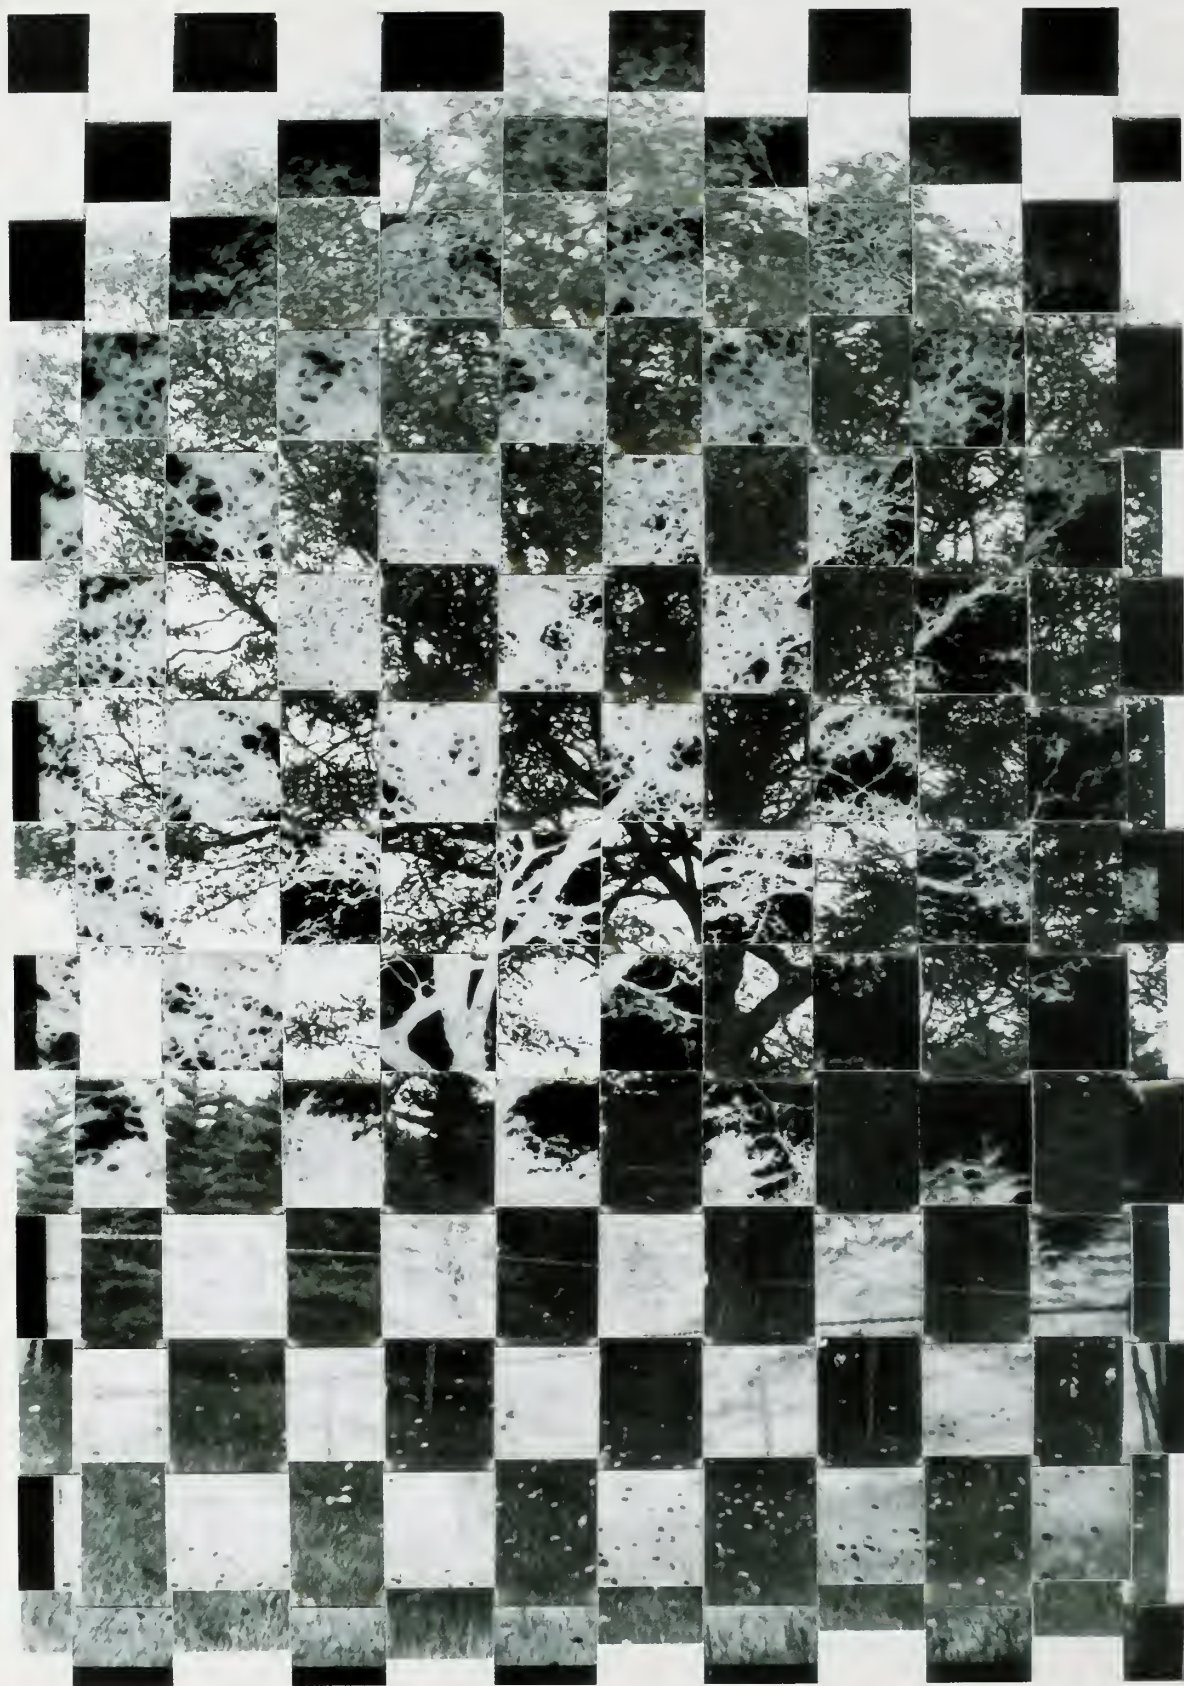

Students know him as the teacher who is constantly happy. His smile has become famous in the hallways of Marshfield High, and just one flash can brighten somebody's day. His warm and friendly personality is utterly contagious, whether you know him or not; then again, everybody knows who he is. The Class of 2010 is proud to dedicate the yearbook to Mr. Matthew Dwyer, a fantastic Health teacher and a superior motivator and friend.

Mr. Dwyer began his career in the Marshfield Public Schools District as the 7th grade Health teacher at Furnace Brook Middle School. The first class he ever taught consisted entirely of members of the Class of 2010. When the seniors moved to the high school, so did he, and as a result, he has taught most of them at least once in the past few years. After having all of these students, plus many more in other classes, he has never failed to remember a single name or face.

There are some teachers who are just naturally good at what they do, and Mr. Dwyer is certainly no exception. The Class of 2010 was truly lucky to be taught and influenced by him, and we know his career and his passion will flourish as the years go by. We hope that countless more students will be positively affected by him, and we want him to know that wherever our journeys take us, his influence and contributions to our characters will always be along for the ride.

- Sean Costello, Class of 2010

History & Politics Club

History & Politics Club is designed to foster its members' interest and further their knowledge of history, contemporary politics, and the current events that impact our lives everyday. The amount of information shared and the viewpoints, thoughts, and ideas presented by our members make us Marshfield High's debate central.

Yearbook Staff

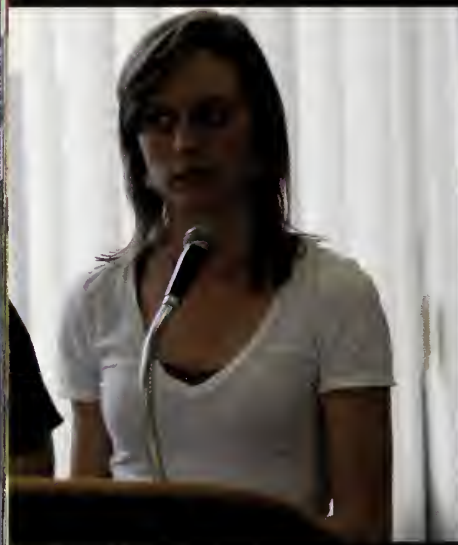

The yearbook staff showcases a group of young individuals dedicated to preserving the memories of the year. Tapping into their creative skills, this group diligently works to space photos perfectly a half a block, choose the perfect background color, and photoshop locker #237 all while eating pizza on early days.

Key Club

Key Club is an international student-led organization which provides its members with opportunities to provide service, build character, and develop leadership.

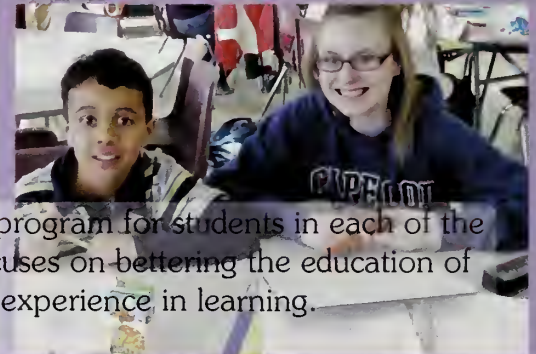

Student Council

"Today. Tomorrow's Leaders...Practicing Student Government." Devoted to help better our community and school through student involvement and service leadership, we participate in numerous charity events like Rachel's Challenge, Walk for Hospice, Walk for Hunger, Marshfield Community Christmas, Marshfield Food Pantry, and Relay for Life. We sponsor the Halloween Funfest, Holiday Semi Formal, and Pride Week. As active members of the School Council on the regional and state levels and School Committee, we are devoted to the betterment of our school, community, and nation.

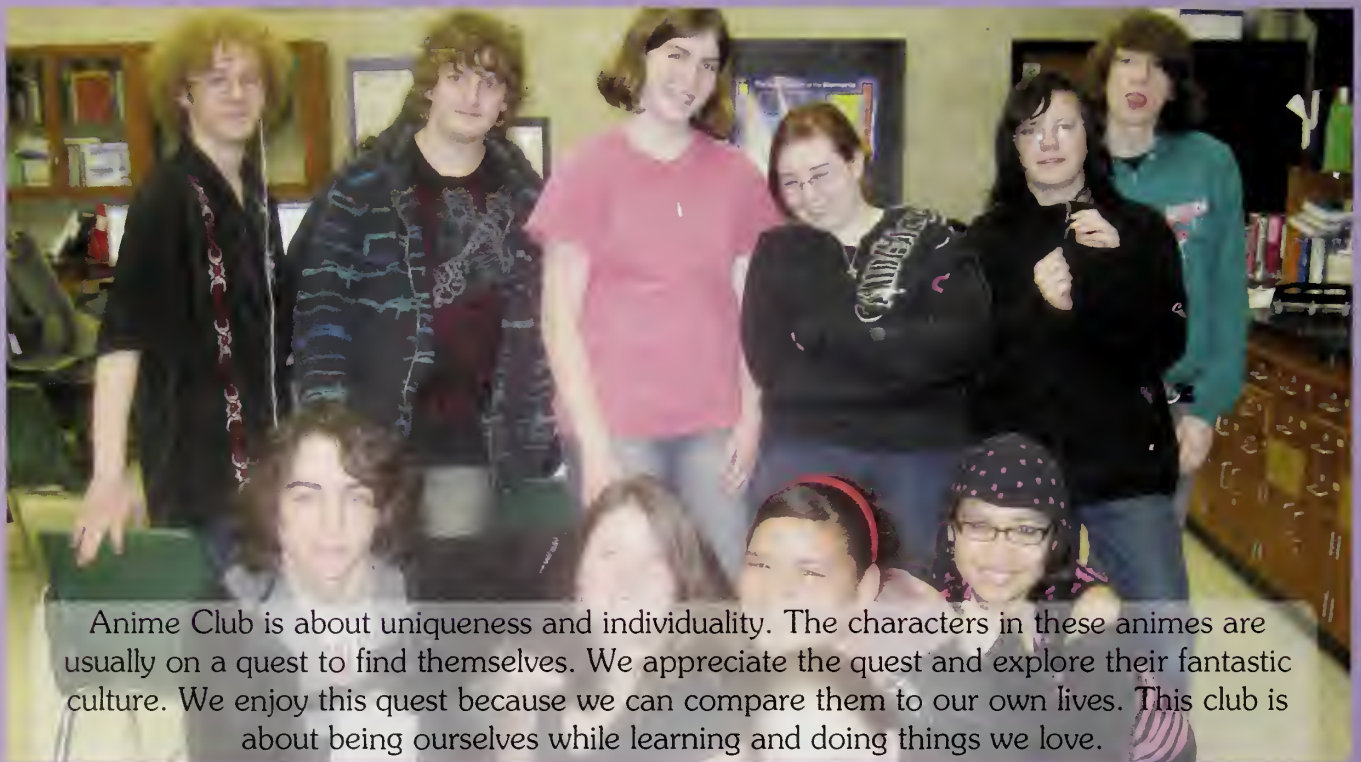

Project Reach

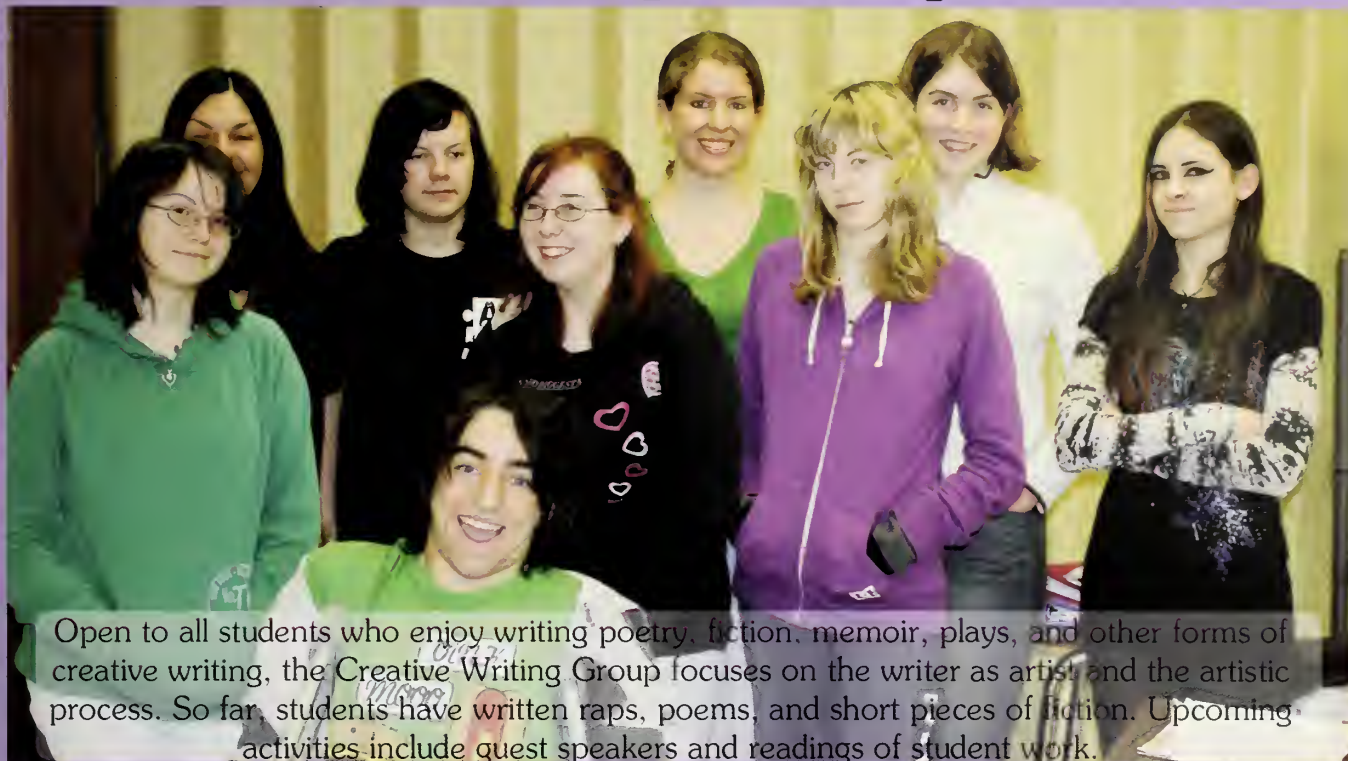

Project REACH is an after school, one-on-one tutoring program for students in each of the five elementary schools in Marshfield. Project reach focuses on bettering the education of children and giving them an overall positive experience in learning.

Anime Club

Anime Club is about uniqueness and individuality. The characters in these animes are usually on a quest to find themselves. We appreciate the quest and explore their fantastic culture. We enjoy this quest because we can compare them to our own lives. This club is about being ourselves while learning and doing things we love.

Creative Writing Group

Open to all students who enjoy writing poetry, fiction, memoir, plays, and other forms of creative writing, the Creative Writing Group focuses on the writer as artist and the artistic process. So far, students have written raps, poems, and short pieces of fiction. Upcoming activities include guest speakers and readings of student work.

Friends of Rachel

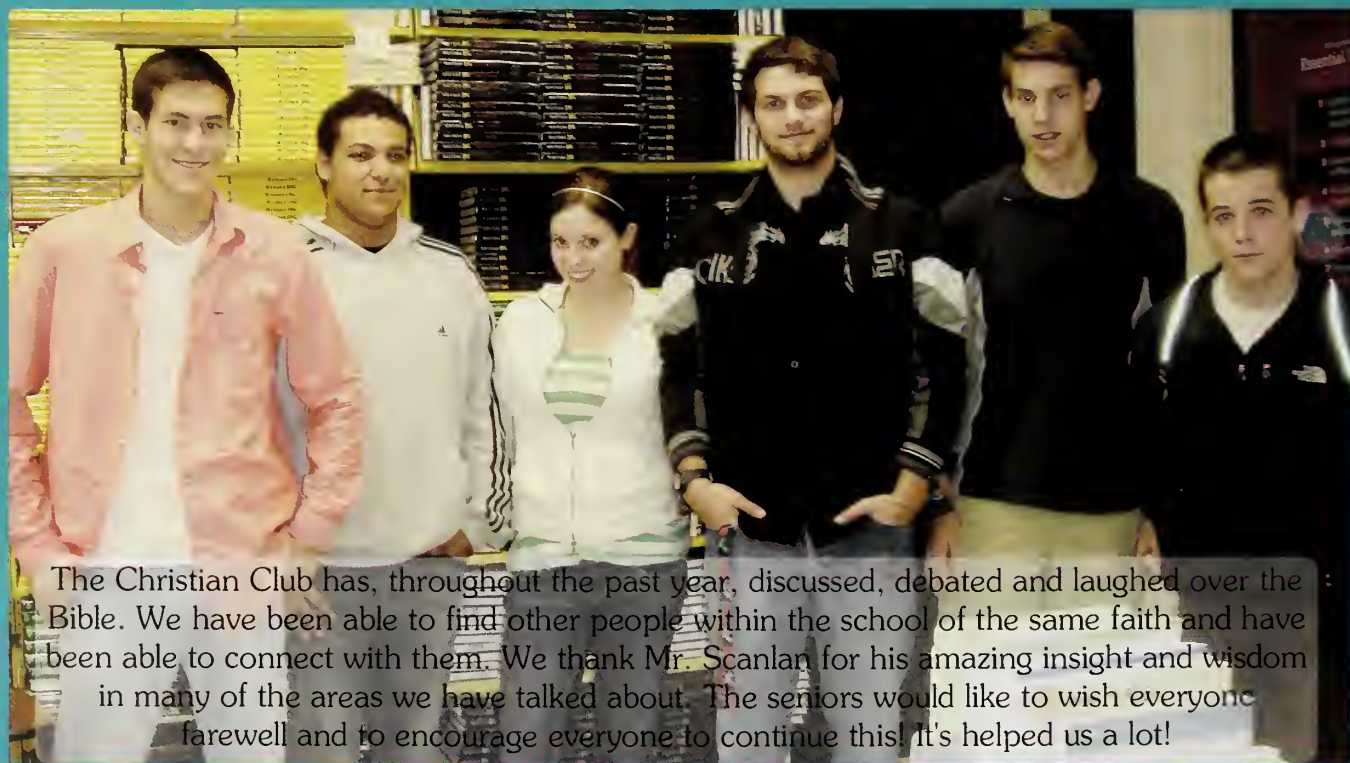

The Friends of Rachel Club is a student organization established to spread universal kindness as inspired by Rachel Scott. We create a positive environment within our school and our community by starting a chain reaction of kindness and compassion. By accepting the challenge, each individual is empowered and inspired to initiate kindness upon the people around them and to embody the message of Rachel Scott.

Humanitarian Club

Humanitarian Club helps spread awareness and raise money for international and domestic charities. From our annual Valentine's Day fundraiser to our Halloween Boo's, our money goes to charities that require money and for getting "the buses."

Christian Club

The Christian Club has, throughout the past year, discussed, debated and laughed over the Bible. We have been able to find other people within the school of the same faith and have been able to connect with them. We thank Mr. Scanlan for his amazing insight and wisdom in many of the areas we have talked about. The seniors would like to wish everyone farewell and to encourage everyone to continue this! It's helped us a lot!

Comedy Club

The Comedy Club is pioneered by Cam Whale! He is the driving force behind this whole idea! His goals as a leader is to create ideas, skits, or PSA's for the group to develop and hopes to eventually get these ideas onto Before the Bells. Above all, this club is a place where anyone is welcomed and it gives students a chance to laugh and create everlasting memories.

Diversity Club

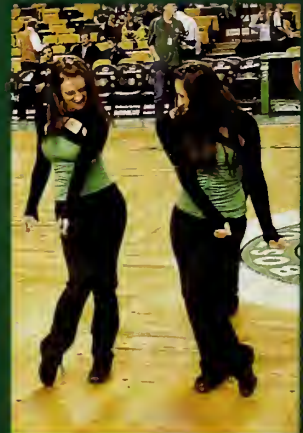

The Diversity Club celebrates the difference in people that make all of us unique. The club breaks stereotypical barriers and aims to eliminate discrimination and hatred from our high school community.

Dance Team

The MHS Dance Team is a hip-hop based dance team that performs at school rallies and athletic events. The Dance Team will also compete in at least one dance competition and perform in other local venues. The team was founded in 2005 and was run by the students. The team was made an official club in 2006. The goal of the Dance Team is to educate students on proper hip-hop technique, professionalism and performance.

Best Buddies

Best Buddies is a friendship-focused group that encourages one to one relationships which integrate employment and leadership development for people with intellectual disabilities. Specifically, at Marshfield High, we aim to see on an eye to eye level, emulating our "I see you" motto.

AFS

AFS is a club where students can learn first hand what life is like in this country and other cultures. Whether it's a trip to Michigan, or hosting an exchange student from Thailand, AFS allows you to experience the different lifestyles and customs of people all over the world.

Drama Club

14 karat chip chip chip! What rhymes with Ms. Barrett? 14 karat. Yes, Baldwin!
 Drama Club incorporates the talents of students in the areas of construction, publicity, props,
 makeup, costumes, lights, sound, and ninja tech. The students light up the stage with their acting
 talents and passion for theatre. This year we performed The Rockbound Welcome, Up the Down
 Staircase, Asylum (which made it to Semi-Finals at the Festival competition!), and
 Thoroughly Modern Millie.

Color Guard

Dropspin, dropspin, butterfly, dropspin, dropspin, pushtoss!
This is colorguard; we're small but fierce, smart but crazy, fun but hardworking. Meetings with us generally consist of twirling, creating, and more than occasionally, pizza.
This is so much more than a hobby... it quickly becomes a passion.

Academic Decathlon

Academic Decathlon is a competition between high school teams on a selected study theme. This year, ours was The French Revolution- full of telepatic shenanigans, anagram nicknames, and our monkey mascot Jorge.

Science Club

The Science Club applies knowledge of science and engineering into various projects. This past year they have constructed a battle robot (Battlebot) and went 2-2 at Plymouth's "Rumble at the Rock." They plan to improve their robot for the 2010-2011 school year.

Green Team

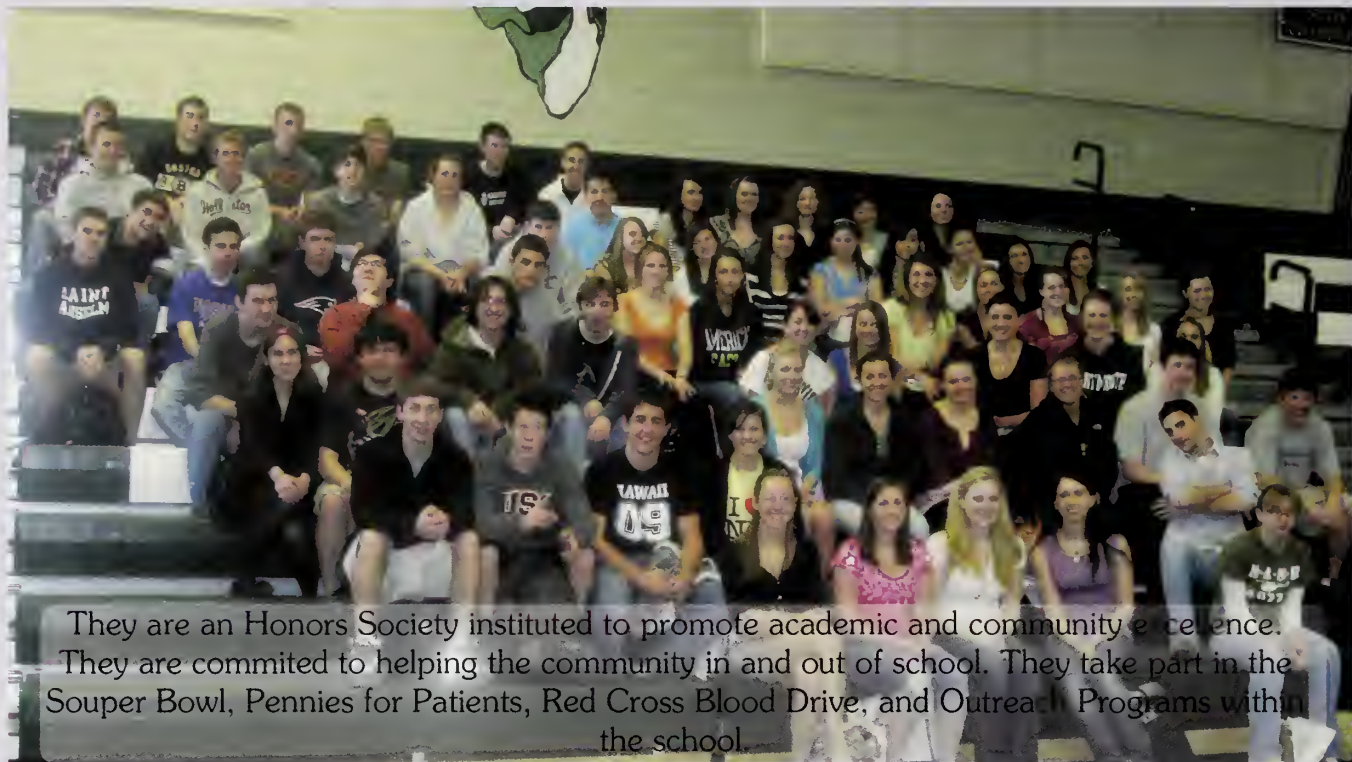

Real Rams Recycle!

The MHS Green Team is in charge of the school's recycling. We collect and empty the classroom recycling bins every week. This year, we have worked on many new environmental projects to help clean up and beautify our school and community.

Be true to our school colors - Be a Green Ram!

NHS

They are an Honors Society instituted to promote academic and community excellence. They are committed to helping the community in and out of school. They take part in the Souper Bowl, Pennies for Patients, Red Cross Blood Drive, and Outreach Programs within the school.

Link Leaders

Link Leaders focus on helping freshmen transition into the new high school environment. Upperclassmen befriend freshmen giving them a familiar and smiling face in the hallway. They lead students in good directions and check up with them periodically throughout the school year.

Peer Leaders

Peer Leaders support initiatives related to helping the MHS student body, the Marshfield Community and beyond. Each year presents new ways to get involved with fund raising, making charitable donations, peer tutoring/mentoring, attending Youth Conferences and decorating for MHS' Grad Nite Live.

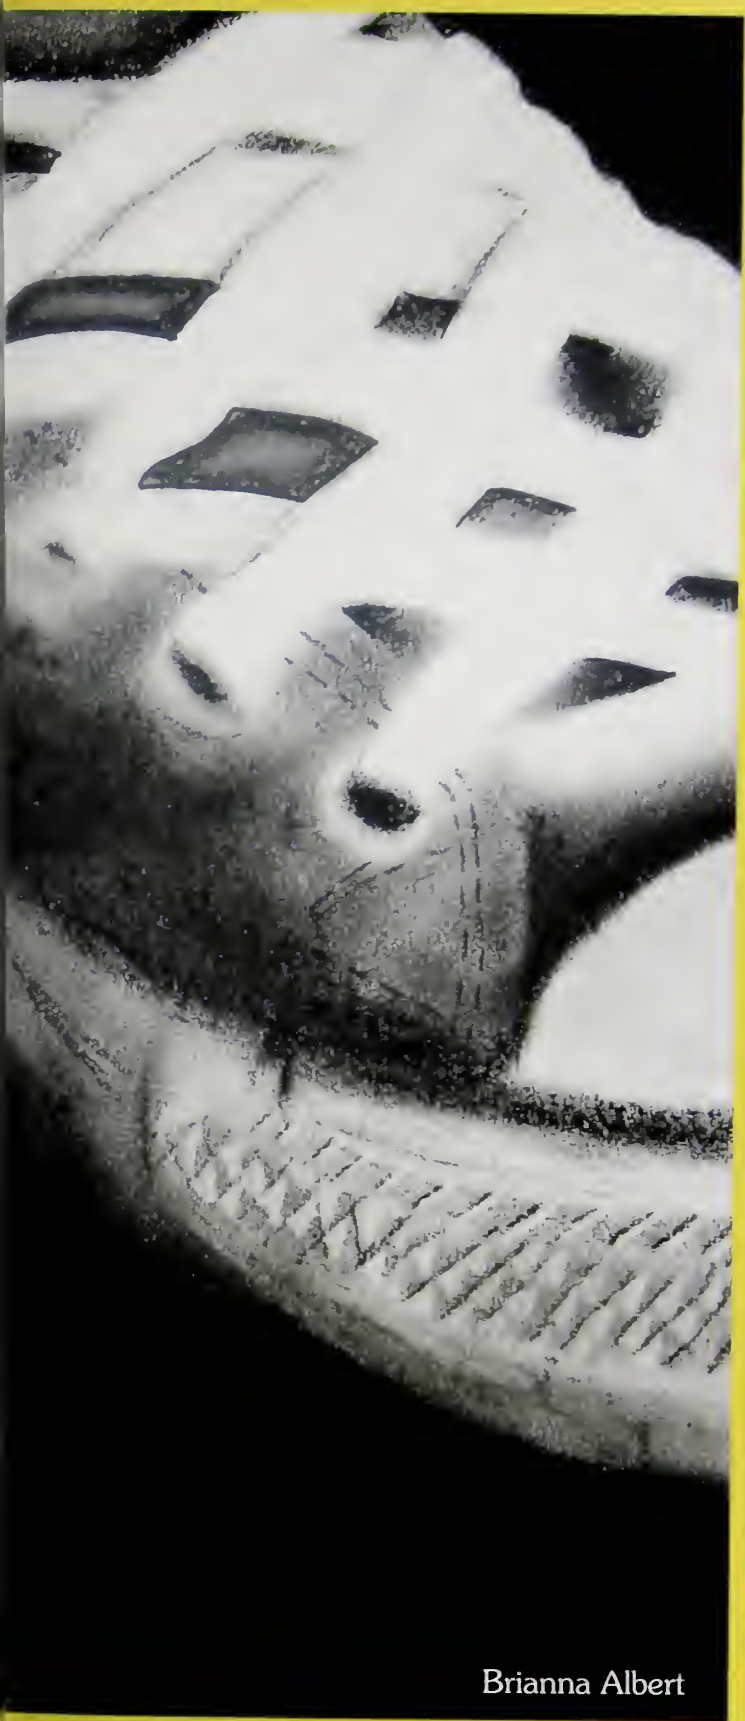

Youth and Government

The Massachusetts YMCA Youth & Government program is formed of a group of delegates who participate in an annual conference, which aims at teaching high school students about government functions on the state-wide level. The program stresses the YMCA's Core Values: Caring, Honesty, Respect and Responsibility.

"Democracy must be learned by each generation."

FROM
WHERE I
STAND...

The Future
Is Bright.

Class History

Dear Class of 2010,

I can't believe senior year has come and pretty soon we'll be heading off into the "real world," making new memories and forging new friendships. But as we take this leap into the unknown future before us, we can't forget these past years that have sculpted the young men and women we are today.

Many Septembers have come and gone, new backpacks worn and torn, crayon drawings transformed into pages and pages of typed essays, but here we stand ready to soon graduate from Marshfield High School as accomplished and learned individuals. We have stood next to one another through the experience of elementary school, the trials and tribulations of middle school, and finally high school.

Through our four years at MHS, we have stood for a class of change; bringing about new fundraisers, new ideas, and goals. Freshmen year, we were new to Pride Week, yet proved to be a united and spirited class with "Ram's Square" as our theme for Deck the Halls. Although the hallway was constructed mainly of cardboard and mirrored our freshmen budget, it truly was a humble masterpiece. Over the winter, we introduced "Marshfield Idol" as a newly annual event that exhibited our school's musically talented and in the spring we ended the year with dodgeball games and a bouncy house at "Freshmen Fun Night."

Sophomore year, we came prepared for Pride Week and transformed the hallway into "Under the Sea," with row boats, buoys, and real sand that was undoubtedly impressive, but fell to the hands of a new charity theme. At that year's pep-rally, another additional competition was made and the Class Officers danced and competed for the Pride Week cup. Although we didn't win Pride Week, we still came out accomplished and ready for next year's competition. Sophomore year we also held a Fashion Show with our classmates donning "what to wear" and also "what not to wear" which included both prom dresses and scuba suits.

Our Junior year we finally grew into upperclassmen, ready to take on the responsibilities and privileges this title offered. Our charitable focus was on Breast Cancer and we raised money for the cause through "Breast Cancer Car Washes," as well as awareness in our hallway for Deck the Halls. Following high school tradition, in May 2009 we celebrated our class with a Marshfield High School Prom. May fifteenth, was a beautiful spring day and everyone arrived at Indian Pond Country Club in their tux's and gowns for a magical night. We had a photo-booth, bedazzled bon-bons, and hours and hours of dancing!

Finally, Senior year began with "Meeting on the Mountain." After making it to the top, we shared lunch and also brought back old memories by splitting into our elementary school groups for pictures and activities. On our way down, our navigational skills got the best of us and our entire class was lost on the trails of Blue Hills! For our final Pride Week as seniors, we dominated the scoreboards, taking trophies for both Powderpuff and Pride Week altogether. For Deck the Halls we chose ten charities to aid and also transformed the hallway into a jungle theme, mirroring our future venture into "the jungle of life." The class officers competed in the dance-off and this time impressed the judges enough to win first place! Later on in the year we will share many more moments as we begin to finalize our time as a class including Senior Night Out, the Boat Cruise, and Gradation.

As I look back on all of these memories, I can't help but see the people that we once were and the people that we have become. I know that in the future we will all change, sharing new experiences with new groups in new places, but as we come to an end at Marshfield High School I know that we can take with us a little piece of these amounted years, a little piece of the community we have become. And I wish to you, as my community of classmates and community of friends: memories that will never fade, joy that will always reign, and success, incredible success.

Many Thanks,

Victoria M. Dolloff

Class Advisors

Natasha Bedingfield said "Today is where your book begins...the rest is still unwritten." The challenge before you as you leave Marshfield High School is to write the rest of your life story. You have only begun to scratch the surface of your potential; but you have already come so far! Each of you has matured into such fine young men and women; each unique in your own way, but together a fantastic force to be unleashed on the world. So as you move forward, write chapters that you will be proud of. Realize that every day does matter and make the most of every moment. Tell those around you how you feel and how they have touched you. Keep only positive forces around you: pull the weeds, but keep the flowers. Work hard, but take time to laugh and appreciate what life has to offer. Do nice things for others; think outside of yourselves. Find a worthwhile cause and embrace it. Set a goal and then work your hardest to achieve it. Stop at nothing for what you believe in. Take care of yourself: body, mind and soul. Never stop learning. Challenge yourself often. Learn from other people's mistakes as well as your own. Take a vitamin. Be true to your morals and values. Most of all, never forget where you came from. Every once in a while, take a glance through this yearbook, smile and remember our time together fondly. I know I will.

Peace out "Seenyas!"

Jeanine Smith
Class of 2010 Co-Advisor

LoFour years ago we entered Marshfield High School not knowing what to expect. I entered as a new teacher, excited to meet the students of Marshfield and was given the opportunity to advise the class of 2010. Over the years you have shown the staff at MHS that your class is unique. Like most freshmen you struggled to find your footing (Remember Deck the Halls 2006 – a mini NYC. What a disaster!) but when you did you took control of your high school experience. As a class you led the school in new directions while still holding onto valued school traditions. An example of this came during freshman fun night. Your class decided they couldn't be stopped by a little rain so you put a bouncy house in the library! Since that day I knew each of you would find success in your own way. If the path you wanted to take didn't exist, you as a class, created it. As seniors you have become the leaders of the school. I have watched you find success both academically and athletically. I have seen you build strong friendships in which you motivate each other to succeed and I have stood next to you as you took on charity fundraising and Rachel's Challenge. As your advisor, I advise you to hold onto the strong friendships you have formed at MHS as these friendships will forever bond you as ONE class who completed this journey together. As you continue on this exceptional path you have created I wish nothing but success and happiness for each and every one of you. Welcome new friends and new challenges into your future. I am so proud of all you have accomplished!

With Love & Friendship.
